

THE GIBSON GALLERY CONGRATULATES 2022 ART SCHOLARSHIP RECIPIENTS

GABBY KNAPP OF GENERAL AMHERST

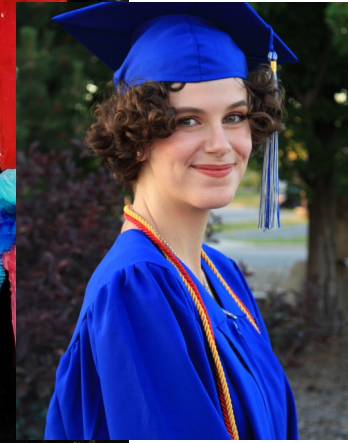

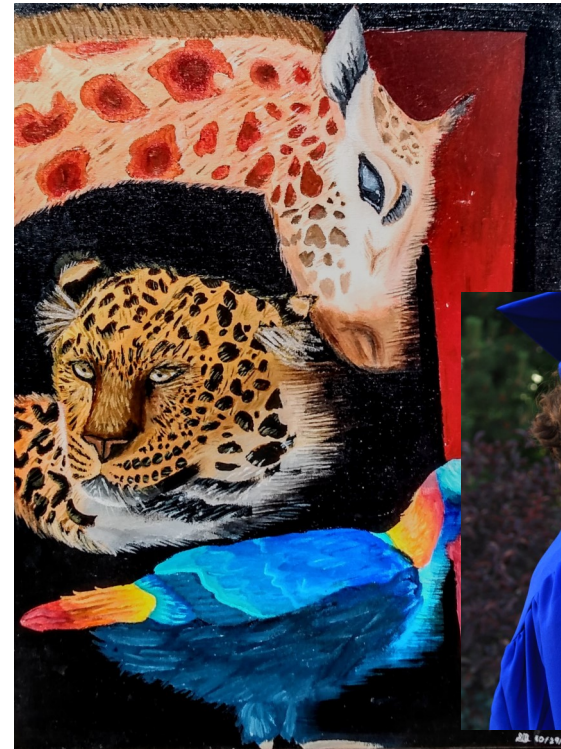

SABRINA MUSCAT OF ST. THOMAS OF VILLANOVA

THIS IS AN ANNUAL AWARD PROGRAM IN KEEPING WITH OUR MANDATE TO “ENCOURAGE AND FOSTER CULTURAL DEVELOPMENT IN THE FIELDS OF FINE ARTS AND APPLIED ARTS & CRAFTS”.

Gabby Knapp

Gabby has been creating art since she was 13 years old. Art has always been her favourite hobby and a way for her to quiet the chaos of life around her. She particularly enjoys drawing faces as they are each uniquely beautiful. She enjoys capturing the depth and emotion of each face. Gabby is excited to pursue animation as her post secondary program and is so grateful for her family, friends and teacher who have helped her along this path.

Sabrina Muscat

Sabrina loves learning about art history and different styles though, she is particularly drawn to post-impressionist styles and bold, chunky and bright designs. She enjoys learning about European art history the most, due to the intricate details and meanings of the artwork created. She will be attending the University of Windsor this Fall, pursuing a Bachelor of Visual Arts degree. She hopes to grow and learn more about the arts as she furthers her education.
